

Coming Soon!

The Pine City Scrapbooking Co. will be opening in a month. As you might know I am currently co-owner of Divine Memories in Pine City Minnesota. My husband and I are branching off in a new direction with our new scrapbooking and stamping store.

We are adding a 24 bed retreat center to the back half of our new store. The Scrapbooking In The Pines Retreat Center will be opening May 1, 2008.

We will not be in the same location. We will now be located in the old downtown in Pine City (check our website for directions). Our store will double in size of the current store. We will continue to serve you with our hometown customer service. I will strive to bring you unique products to add to your family memories.

Our retreat is unique in the fact that you can have 1 or 24 in your party to book a room. This is a great place to gather with a large group, or come as a small group and make new friends! Our rates are listed on the website. We have an extended check in and check out time, and the store will have extended hours Friday and Saturday night for your shopping needs.

You will find many special touches in the retreat center such as: Two twin beds in each room, unique furnishings, Bath and Body Works soaps and lotions, hair dryers, four showers, fluffy towels, 3'x5' crop tables, comfy adjustable chairs, many tools to use, WiFi, two flat screen TVs, DVD/CD player, surround sound, DVD library, a lunchroom that seats 24 people, convection microwave, and two refrigerators.

Electricity will be available at each table so it will make a great place for a quilting retreat as well. You will love all the little perks too numerous to mention!
