

## New Class Announcements

We have 3 new teachers bringing you 5 fantastic classes in October. Wendy Jannusch and Tami Wood will be doing back to back card classes on October 11<sup>th</sup> and 12<sup>th</sup>. Our other new teacher, Don Waalen, will be teaching a terrific mini book class on October 18<sup>th</sup>. All of the details and photos are listed on the web site at:

[www.thepinecityscrapbookingco.com](http://www.thepinecityscrapbookingco.com).

I simply love the new techniques that Tami will be teaching you, in two separate classes, with the new Copic markers and A Muse stamps. Both of these products are new to our store so a lesson on how to use them will be great.

Wendy is an awesome designer. She has created her own line of transparencies that you will be using in her Transparency Techniques class. The cards she has put together for us are stunning. Her second class on Sunday is using vintage photos on cards. These too are Wendy's designs that I know you are just going to love. We will be lucky enough to be carrying this new line at the store.

Don has created a card keeper mini book with colors I love and with some of my most favorite papers in the store. The design of this book is just perfect and the possibilities are endless.

Give us a call at the store 320-629-9960 or email me and we'll get you signed up for classes. If you cannot attend a class, contact us and we can either send you a class kit of your choice or you can pick it up at the store.
