

Happy Fall!

The chill is in the air, the days are getting shorter. What does that mean? It means we can spend more time scrapbooking!

We have been busy getting in new products for Halloween, Fall and Christmas for all of your new projects. You'll love our new line of paint and rubber stamps. Stop in the store and check them out!

Classes

We have 5 classes coming up for October.

October 11th and October 12th we are holding 2 classes back to back.

Teacher Tami Wood is conducting two amazing classes using A Muse rubber stamps and Copic markers. Her Christmas class is Saturday morning and her fall class is Sunday morning. Tami is a certified teacher of Copic and A Muse. She will be teaching you fantastic techniques using their stamps and markers.

Wendy Jannusch will be teaching a wonderful transparency class using her own designs and showing you various ways to adhere and use transparencies. Her other class on October 12th will be a vintage photo class again using her own designs and her variation of instant relatives. Both of her classes are a great new spin on card making.

On October 18th Don Waalen is teaching an amazing card keeper class using beautiful papers by Anna Griffin, Kimberly Polson and Cosmo Cricket. The colors in this book are amazing and his techniques are out of this world. You're going to love this mini book!

Check out our website for a complete listing of our classes with times and prices. I have updated my blog with photos of the classes.
